 **Atkins' Watermelon Days**  will be **Friday, August 3rd - Saturday, August 4th**. This year we are reaching out to the whole community to give everyone a chance to volunteer their time to help with the events. We need the most help on Saturday, so we are using the "Sign Up Genius" for your convenience. There are two "Sign Up Genius" links.

Of course, we always need volunteers to **help set up on Thursday, August 2 at 6pm at the city park** and for **tear down on Sunday, August 5th at 8am**. There is no sign up, so just come to the city park with a smile. 😊 We truly would like this to be a community event with everyone helping in one way or another. **All are welcomed to come to the meetings on the first Thursday of the month at 7pm at city hall.**

    If you have any questions, please contact **Christy Damon #446-6022**.

IT'S NOT JUST SPORTS, IT'S YOUR HEALTH!

This year don't just get a "Sports Physical," schedule an annual wellness exam.

Aren't they the same thing? Well no, they are not. At an annual wellness exam, your healthcare provider will talk to you about more than just sports. They will discuss your entire body and include age-appropriate preventive screenings that can protect you from serious issues down the road. It's a safe and private time to discuss things you can't talk about with your friends and family.

For parents, this is an opportunity to make sure immunizations are up-to-date including required changes recently made by the Iowa Department of Public Health for the Meningococcal vaccine and Tdap booster needed by seventh graders before the start of the 2018-2019 school year. It's also covered by insurance through the age of 18 in and in most cases through the age of 21.

After all, it's more than sports, it's your health and well-being for life. Call now to schedule an appointment with one of our providers and remember to bring your Iowa Athletic Pre-Participation Physical Examination form to the appointment.
