Hello from the Mayor's office!

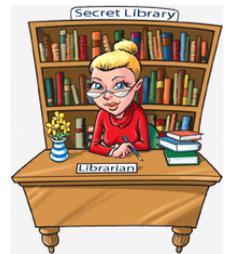

Meet the Mayor will be canceled until further notice.

Friendly reminder that “flushable wipes” are not really flushable and these can cause serious problems when placed in the sewer system. Greater quantities of these products have been showing up in the sewer collection mains. Likely with the convenience of their use but please place these products in the trash. **Only toilet paper is recommended for the City sewer.** This can help prevent expensive backup repairs.

Regards, **Bruce Visser, Mayor**

Atkins Public Library

The Quarantined Summer Reading Drive By was a huge success! Almost 200 packets were distributed to Atkins children each week from May 13 thru June 24. Thanks to Atkins Pleasant Hill Presbyterian Church with helping distribute the packets.

Thanks to the Atkins Cub Scouts and Melanie Light, Master Gardener, for cleaning the flower beds at the Atkins City Hall /Library building. The beds look great!

The Atkins Library is open regular hours now. Monday thru Friday 10:00 am – Noon and 1:00 pm – 6:00 pm and Saturday 9:00 am – Noon. Come check out our new look. We ask that all patrons wear a mask and practice social distancing when in the library. Thank you.

A hearing aid was found in the library. Come in to claim.

Atkins Savings Bank Customer Appreciation Day

Friday, July 31st 2020

97 Main Ave from 11 am to 5pm

Stop by and get Free Watermelon and Snow Cones

Atkins Community Club and the City of Atkins will still be presenting FIREWORKS on Saturday night at dusk on August 1st, 2020. It will be in the same location. We know there was disappointment when Watermelon Days was canceled this summer. We hope the fireworks will lift your spirits and bring a smile to your face while keeping people safe during Covid-19.

Get your family together for supper 🍔 and fireworks! 🎆

Remember to be kind and mindful of one another! 😊❤️

Atkins Public Works

The City of Atkins is replacing or updating many traffic and road signs in the City. Some residents may have flags in their yards, please leave the flags and call City Hall if you have questions. City Hall is 319-446-7870.

The City of Atkins wants to remind everyone to keep up on yard maintenance. We want to keep this City looking great. Please keep your grass 6 inches or shorter. Please keep sidewalks and street edges free of debris, weeds, and grass clippings.

Weeds have also been a concern recently. Please make sure to keep your yard weeded and looking nice. Please be aware of weeds along fence lines, and property boundaries.

Sump Pump Drainage

Nearly 13 miles of sanitary sewer extends underground beneath our city. Typically, this system of sewers transports wastewater from homes and businesses to the Wastewater Treatment.

During times of wet, rainy weather a unique problem presents itself. "Illegal water" is discharged into sewers, which may already be operating at near or full capacity, which causes sewage backups.

Atkins City Code does not allow groundwater that is collected in sump pumps to be deposited into the City's system of sanitary sewers. This "illegal" problem regularly presents itself in Atkins. Citizens may contribute to their own or to their neighbor's sanitary sewer back-up problems from such illegal connections.

Sanitary sewers were not designed to accommodate the volume of water generated by subsoil drainage systems. An expensive overload can occur.
