Date: October 8, 2020

Atkins residents:

The last day of Construction debris pickup will be Friday, October 9, 2020.

Items placed at the curb, on or before October 9 will be marked for pickup in the near future. The schedule is variable at this time.

After October 9, Residents any take constuction debris to the Benton County Landfill in the normal manner.

Tree and limb pickup has been extended through October 30, 2020. Continue placing tree and limb debris at the curb and it will be picked up at your residence. The pickup schedule is variable and is not on a regular route. Contacting City Hall is not necessary for debris pickup.

Thank you Atkins, you have done a great job helping to recover after the storm. This task continues and the need is being monitored.
