REQUEST FOR PROPOSAL

City Administrator and City Clerk/Treasurer

Recruitment Services

Overview

The City of Atkins, Iowa (“the City”) issues this Request for Proposal (RFP) for interested and qualified consultants to conduct a recruitment and selection process for a City Administrator and a City Clerk for the City. The consultant should be able to demonstrate the success of previous job searches with similar job qualifications, and provide excellent references.

The City of Atkins (population 2,056) operates under the Mayor-Council form of government with an Ordinance outlining the role of the City Administrator. The Mayor and 5-member City Council are elected to four-year terms. The City, under the direction of the City Administrator, operates City Hall (3.5 FTE budgeted positions total), Library (3 PT positions), and field staff (3 FTEs) operating a Water and Waste Water Treatment plant, as well as streets and park functions.

City Administrator

The City Administrator is appointed by the City Council and supervises all City departments. They are responsible for planning, directing, and supervising the City’s organizational, management, central administrative budget, and financial operations and activities in the implementation of policies established by the City Council.

This position confers with the Mayor and City Council and City staff to discuss, identify and assess their organizational, management, administrative, budget, and financial needs. They coordinate and cooperate with other community agencies and organizations.

City Clerk/Treasurer

The City Clerk/Treasurer is appointed by the City Council and is responsible for maintaining the public records of the City per Iowa Code, including minutes and documentation related to City Council meetings. With the assistance of a Deputy City Clerk and Utility Billing Clerk, the City Clerk is responsible for managing and maintaining the monthly Utility Billing for 800 households, processing payroll and benefits for all City employees, processing Accounts Payable, reconciling the utility billing software, financial software, and bank records, and managing permits and enforcement of City Codes.
